

COVID-19 POLICIES

These are certainly challenging times for all of us, & we hope that all of you will remain safe & in good health through this current crisis. We are happy to be able to serve & entertain you once again in this, our 70th Year in business! The Ohio Department of Health has given it's permission for our opening with safety guidelines in place. We will be maintaining social distancing throughout our entire grounds, both inside & out, & we ask for your full cooperation in doing so, should you choose to patronize our business.

The following COVID-19 Policies have been put into effect to help ensure a safe environment for our patrons & staff. These policies will continue to be revised, as we receive updates. We ask for your patience & cooperation during this time.

New Policies:

- 1). **6 ft social distancing** will be required everywhere on our grounds per ODH guidelines - inside & out. Please keep 6 ft distance between yourself & others when outside your vehicle. Fortunately, we have one of the LARGEST drive-in concession facilities in the country, therefore providing the necessary space for ample social distancing inside of our carry-out concession facility.
- 2). Our large Concession facility will be limited to **“ONE WAY IN” & “ONE WAY OUT”** (this applies to the double glass door on both the north & south side of our building. This will further ensure social distancing, as well as speedy service for our carry-out dinners, appetizers, and desserts!
- 3). We have installed **new protective shields** inside our concession at all the order stations & checkout registers for the protection of our employees & patrons. Employees will wear masks, gloves & frequently wash hands or use sanitizer.
- 4). There will be a maximum of **2 children per adult permitted in the line** inside the concession facility (children **UNDER** 16 yrs old **MUST** be accompanied by an adult to enter). We encourage patrons to wear a mask when inside the concession & restrooms.
- 5). We have **TWO walk-up service windows** located on the south side of our concession for those who prefer to stay outside to order Pizza, snacks, or ice-cream.
- 6). For those who do NOT wish to venture outside their vehicle at all, our Food Permit policy will remain in place, as always, giving you the choice to bring in

outside food or beverage with the purchase of a Food Permit at the gate. Concession sales are vital to our survival as a seasonal drive-in theatre.

7). We have **UPGRADED** our large Restroom facilities with “**touchless**” faucets & paper towel dispensers, etc. Our Restrooms will remain OPEN during our business hours, but with these rules in place:

- No more than 4 patrons should use the restroom at any given time.
- Children **UNDER** 16 yrs of age **MUST** be accompanied by an adult in the restrooms.
- Patrons should maintain 6ft social distancing while waiting in line.
- Restrooms will be cleaned & sanitized routinely throughout the night.

We will continue to offer our **EXTENSIVE** menu of fresh & delicious food you have come to know & enjoy, from our fresh pizzas, numerous fried food appetizers & hand-dipped Ice cream! As always, we look forward to seeing you for our **70th Season**, & appreciate your support of our nostalgic drive-in theatre! Let’s all hope for lots of **SUNSHINE, SMILES, & brighter days** to come this season!
